### Happy New Year from all of us at the Harris County Elections Administrator's Office!

In addition to warm wishes, we wanted to send a few reminders to help prepare you for elections in 2023.

- The mail ballot application is now posted to our website ([click here](#)). You will need to print a copy, fill it out completely, sign it, and then mail it to our office. *Remember: When it comes to your identification numbers (TX Driver License/Personal ID or last four digits of your social security number), if you're uncertain about which one may be on file with your voter registration, fill both out.*
