

BOUNCE HOUSE FORM

The City of Seabrook Parks Department allows bounce houses in City parks with the company providing their own source of electricity (generator) and be supervised at all times. **A copy of the bounce house company's liability insurance should be attached to the renter's application and submitted to the City of Seabrook Public Works Department** for review by the Director of Public Works. No public equipment shall be permitted at any time. Please include details of the party in the application, i.e. name of party (contact info), location, date, and time(s) of the event. **Vehicles are not allowed to drive on our parks**, although the bounce house and other equipment may be transported to the preferred location for **delivery and pickup**. The City assumes no responsibility for any related business transactions. Additional questions may be directed to the Public Works Department at (281) 291-5725.
