	<b>DEFINITIONS:</b>	
	<i>Light Commercial:</i>	Office and professional occupancy only
	<i>Commercial:</i>	All businesses other than above
	<i>Industrial:</i>	A process plant which discharges 70 percent or more of wastewater to storm sewer facilities as determined by the Director of Public Works
	<i>Multi-family meter:</i>	Any water meter which serves more than one (1) living unit. For example, an apartment building has one (1) water meter to serve 10 separate apartment units. Or a duplex has one (1) water meter to serve two (2) separate duplex units
	<i>Multi customer commercial meter:</i>	Any water meter which serves more than one (1) business or commercial enterprise. For example, a shopping plaza has one (1) water meter to serve 10 separate businesses/or shops
	<i>Single customer meter:</i>	Any water meter which serves only one (1) living unit or one (1) commercial business or store
	*** on March 8, 1988, the City of Seabrook entered into a contract with the City of Pasadena to purchase potable water; the City of Seabrook received a letter from the City of Pasadena dated August 10, 2016, which stated the base price per thousand gallons of water being sold to the City of Seabrook was increasing from .7297 to .8937; the City Council intends to adjust water rates to compensate for the increased charge from the City of Pasadena; and the City Council intends to adjust water and sewer rates sufficient to pay the debt service for the Certificates of Obligation.
